March 17, 2020

Good Afternoon Saint Ambrose Community,

As of this morning, the Governor's office has ordered all school employees to remain out of their buildings for the next two weeks. Our Superintendent, James Tauzel sent a letter to the principal's stating we are to remain out of the building until April 1, 2020. At that time, state officials will reassess the situation and decide if an extension is necessary.

Effective immediately, all continuous instruction will be provided electronically through Class Dojo and for grades 2-5, students and teachers will connect over Google Classroom. We will not be at school on Friday to receive completed work that was done this week. Please hold onto this work in a special folder to share upon our return to school. The teachers are working hard to provide consistency and a stable learning experience to help the students adjust to this very uncertain time. Please stay closely connected to your child's teacher and follow their expectations as closely as you can under these circumstances.

As we all work to frame challenges as opportunities, we are building stronger relationships between the home and school. Lean on us as you navigate continuous learning with your child. We will certainly lean on you for your support, prayer and feedback. Together, we are stronger. Together, we are better. Saint Patrick used the shamrock to teach about the Holy Trinity, the Father, the Son and the Holy Spirit. May we all receive grace from our Father, strength of the Son, and wisdom from the Holy Spirit. Happy Saint Patrick's Day!

Love each other and stay healthy,

Ms. Christine Deutsch
