

PHOTOGRAPHY POLICY 2025-2026

Throughout the year, the Diocesan Catholic Schools often takes photographs of their students engaging in classroom activities and participating in school events. The photographs are used for general marketing purposes in publications, public relations, promotions, and advertising – both in print and online, Facebook, Instagram, Twitter, teachers’ classroom pages, on the school website and class dojo.

To protect our students’ identity, we will NOT use their full names and biographical information in conjunction with photographs designated for promotional purposes to the general public. However, internally distributed materials, such as the school yearbook and newsletter, will include our students’ full name. In the event a third party wishes to publish a news-related story about our school, we will do our best to limit them to the use of the students’ first name and last initial only.

This form is effective for the current school year only 2024-2025.
