PRINCIPAL'S MESSAGE

It doesn't seem that September should be coming to a close, but we have just two more days to go! There have been so many great moments so far this school year. We are celebrating our weekly school masses, beginning club activities, working through new Math curriculum in grades 3-5, and beginning instrumental lessons with Ms. Weeks!

Our first fundraiser of the year- the Dance-A-Thon is tomorrow- which we are so excited about! You may turn in your sponsorships by Monday, October 3rd.

Fr. Peter will be visiting us on Wednesday, October 4th at 2:00 for Pet Blessing in the courtyard behind the Convent. See details (Important Events Column).

We will be learning about Fire Prevention, celebrating Red Ribbon Week, and hosting Aquinas, Mercy and McQuaid to speak with our fifth grade students... yes, already.

We are seeking input regarding the Trunk or Treat event. Please use the link (to the left) to answer a few quick questions.

Gratefully,

Mrs. Andrea Milgate
