

SUMMER MEALS FOR KIDS PROGRAM

Summer is upon us, and this year more than ever youth (18 and under) who rely on schools for free nutritious meals during the school year may not have access to healthy meals in the summer months. That's where the Summer Meals Program comes in.

City R-Centers and other community locations all across the city are offering free meals (breakfast and lunch) for Rochester youth all summer long.

For a list of Summer 2023 locations and more information, visit www.SummerMealsROC.org.

Summer Meals is a collaborative effort that exists to make sure every child in the City of Rochester can get a free and healthy meal all summer long, when they don't have access to school meals. The City of Rochester, Foodlink and the Rochester City School District provide meals for Summer Meals locations.
