Our school community voted on her designs and three other designs created by a member of the diocesan IT department. Amiya took first, second and third place for her artwork! One of her designs will be used on the school t-shirt we are making to wear to the ball game.

When Saint Ambrose Academy provides road marshals on the racecourse Fleet Feet Rochester makes a monetary donation back to the school. We have received anywhere between \$400-\$600 from volunteering at previous race events. It is a ton of fun to watch the runners at the start of the race and cheer on their hard work. It is an enthusiastic environment, and the energy is always very positive. Wear your school gear and let the crowd know you are proud of your school!

"Bee" a part of the 100th Class to attend SAA!
